Two days ago, Qatar issued Ministerial Decision No. 4/2026. We are not scraping in the dark — we are building on top of a market that is digitizing in real-time.

LAW NO. 5/2024

### Electronic Real Estate Registration

Replacing the 1964 paper-based system. Full digital property records: dimensions, ownership, technical specs — structured by the government.

MINISTERIAL DECISION NO. 4/2026

### Preliminary Real Estate Registry

Digital registry for off-plan units. Government actively digitizing structured property data. Published March 17, 2026.
